The Banquet

"They will come from east and west, from north and south, and recline at the table in the kingdom of God." Luke 18:29

As a parent of four, I am not always excited to hear of another birthday party. My mind begins to run the numbers: If my kids each go to ten birthday parties and the average gift cost \$10, plus my kids have to invite everyone to our birthday parties --- you get the point, I am a birthday scrooge!

On the other hand, I remember the excitement of receiving an invitation to a party. I also remember the disappointment of not being invited to a party, especially as others talked about the party that I did not attend. Everyone likes to be a part of the celebration!

On September 25th, the church is hosting a banquet at the Landmark Best Western and you are invited! It is the Believe Banquet for the capital campaign and it will be a significant event in the life of the church.

It will be a fun evening beginning with Jonathan Perry, the Cajun comedian. After that, we will be inspired by Coach Monty Williams of the New Orleans Hornets who has a wonderful testimony and who has invested himself in our city. Then, I'll take a few moments to share with you the vision of what I believe God is saying to us as a church. The evening will culminate with the opportunity to complete a financial commitment card to support the capital campaign.

The banquet is important for several reasons:

First, it brings us together to celebrate a defining moment. We celebrate in different ways - sometimes, we invite friends over for a potluck and on other occasions we host a celebration with more formality and expense, each with a purpose. The purpose of our banquet is to celebrate God's calling to a vision and to a commitment.

Second, the banquet brings us together as a family. Just as we often go out to eat with friends and family, the banquet brings us together as a church family in a special moment like we did last year at the 50th anniversary celebration.

Finally, the banquet is a celebration of the momentum that is already taking place. The Spirit of God is at work in our church. Growth is happening and spreading! Many people will attend this banquet as their first church wide event as a part of The Boulevard Family. Make sure you meet and welcome someone new into the family. Let's make it a family celebration and everyone is invited!

**Student Fall Retreat
October 7-9**

"Courage is not the absence of fear, But rather the judgment that something else is more important."

I don't know about you, but I have found that the challenges of being a father and husband can often be overwhelming. Men, our calling is great and in order to be successful, we need courage, one another, and the leadership of the Holy Spirit.

With this goal in mind, we are inviting you to the opening night of **COURAGEOUS**, the latest film from the producers of *Facing the Giants* and *Fireproof*. We have purchased 150 tickets for the 7:15pm showing on September 30th so that we might enjoy the film together as a church family. Tickets are \$10 and available on a first come, first served basis.

Guys, in the weeks following the movie, our goal is to have more information on men's events and get-togethers. What an awesome responsibility and privilege God has given us!

See you at the movie! Shaun Grunblatt, Minister of Education

*Husbands, love your wives, just as Christ loved the church and gave Himself for her... Eph. 5:25-26
And fathers, don't stir up anger in your children,
but bring them up in the training and instruction of the Lord. Eph. 6:4*
